

Fall 2019 Quilt Retreat

Presented by Sheila Reinke

The red truck fabric is back again by popular demand. Starting with the Susan Winget Red Truck Panel, you will fussy cut the panel and add blocks to transform it into a **Red Truck Sampler Quilt**. Instructions will show you how to add several different blocks to bring this panel to life. Blocks will include flying geese, snowball, stars, pinwheels, presents and trees. A throw size will start with one panel; larger size will require two. These fabrics are just starting to arrive, so as soon as I get my quilt done I will update my website.

The **Disappearing Hourglass Quilt** by Missouri Star Quilt Co is a piecing method we have not done at these retreats. This method you sew two pieces together and then cut them apart, sew again and cut apart again. You continue to do this until your block is complete. This block would be great for beginners as well, so if you have someone you would like to introduce to quilting this would be a good one! Half of your block will be black as seen in the picture and the other color of the block will be your choice.
